INFORMATION STALL in the FOYER of the SANLAM AUDITORIUM

- The NWU is a unitary multi-campus institution with campuses across two provinces. The campuses are Vaal Triangle, Potchefstroom and Mafikeng and are situated in the Northwest province and Gauteng.
- The vision of the NWU is to be a “pre-eminent university in Africa, driven by the pursuit of knowledge and innovation”.
- The spirit of the NWU is reflected in the way it unlocks the future for people and enables them to make their dreams come true.
- The NWU is the second largest university in South Africa with more than 74 000 students.
- The NWU has an undergraduate pass rate of 88% and has 140 researchers with a NRF rating.
- Research is conducted in research entities to ensure a multi- disciplinary approach
- The NWU hosts the biggest open distance learning programme in Education in the country
