

CURRICULUM VITAE OF REFILWE NANCY PHASWANA-MAFUYA

1. PERSONAL DETAILS

1.1. Demographics

Surname: Phaswana-Mafuya
Gender: Female
Race: Black
Nationality: South African
Marital Status: Married
Dependents: 2

1.2. Contact Details

Email Address: refilwe.phaswanamafuya@nwu.ac.za
Skype: nphaswanamafuya

2. ACADEMIC QUALIFICATIONS

PhD (Injury Prevention), University of the North at 29 years; published 8 articles from it, 2002

Master of Science in Epidemiology, London School of Hygiene and Tropical Medicine (LSHTM), University of London, United Kingdom, 2016

Postgraduate Diploma in Epidemiology, University of London, London School of Hygiene and Tropical Medicine, United Kingdom, 2013

Research Masters (Gerontology Research), University of the North, 1998

Bachelor of Arts (Social Work) with Mini-Thesis, University of the North, 1995

3. COMPETENCY CERTIFICATES

One-year Competency Certificate in Assessor Accreditation Course, Fort Hare/Rhodes University, 2003

One-year Competency Certificate in Management, Development and Leadership, Business School, University of the Witwatersrand, 1997

One-year Competency Certificate in Organisational Performance Management, South African Excellence Foundation, 2002

4. SELECTED PROFESSIONAL TRAINING AND DEVELOPMENT

- 2016: TREEE certificates on Introduction to Research Ethics, Research Ethics Evaluation, Good Clinical Practice and Informed Consent and Adolescent Involvement in HIV Prevention Trials
- 2012: 6 months Statistics Training at Nelson Mandela Metropolitan University
- 2011: Sabbatical leave for 6 months (1 Feb –31 July 2011) - Epidemiological Training
- 2011: Short course (Postgraduate) on STATA 11 data analysis training at University of the Witwatersrand
- 2011: Short course (Postgraduate) on Biostatistics for Health Researchers, I & II at University of Witwatersrand, supported by the Wellcome Trust
- 2011: Short course (Postgraduate) on Introduction to Demography Methods, University of Witwatersrand
- 2011: Short course (Postgraduate) on Epi Info training at University of Witwatersrand, supported by the Wellcome Trust
- 2011: Short course (Postgraduate) on Epidemiology for Health Researchers, I & II, University of Witwatersrand, supported by the Wellcome Trust
- 2011: Johns Hopkins Epidemiology Summer Institute, School of Public Health, Baltimore, USA, 20 June – 2nd July 2011, supported by the Wellcome Trust – which culminated in research collaboration between myself (HSRC), Johns Hopkins University, Baltimore, USA (Prof Stefan Baral) and Emory University (Prof Patrick Sullivan), Georgia, Atlanta, USA
- 2011-2015: Personalized Epidemiology Tutorial Support towards own MSc Epidemiology Modules (including tutorial fees, accommodation and travelling), supported by the Wellcome Trust
- 2011: Experiential training in Epidemiology at the University of West Indies hosted by Prof Nigel Unwin, Barbados, 3-9 July 2011, supported by the Wellcome Trust
- 2011: Epidemiological measurements, World Health Organization (WHO), Geneva, Switzerland, supported by the WHO
- 2010: Training on ATLAS-TI, supported by Human Sciences Research Council (HSRC)
- 2010: Collaborative Institutional Training Initiative (CITI) certificates. (training lasts for 3 years)
- 2009: Short course on Advanced Statistics, Factor Analysis and Regression Analysis: SPSS for Windows, SPSS-SA, Johannesburg, supported by HSRC
- 2009: Short course on Basic descriptive and inferential statistics: SPSS for Windows, SPSS-SA, supported by HSRC
- 2009: One-week training on ageing and health research at the National Institute of Ageing Summer Institute, Maryland, USA sponsored by NIH (July 09)

- 2009: Global Summit on Cardiovascular Diseases in Atlanta, sponsored by the Centres for Disease Control and Prevention – CDC (Oct 09)
- 2007: Epidemiology Training in preparation for multi-country epidemiological study (prospective cohort) on ageing and health, World Health Organization, Geneva, Switzerland, supported by WHO
- 2005: Short course on SPSS for Windows and Intermediate Topics: SPSS for Windows, SPSS-SA. Cape Town, supported by the HSRC
- 2004: Certificate on HIV/AIDS Confidentiality Law, New York State Department of Health/AIDS Institute held at New York City
- 2004: Certificate on Reducing the Risk and Harm of HIV, New York State Department of Health/AIDS Institute held at New York City
- 2002: Short course in Entrepreneurship, Southern Africa Initiative of German Business, supported by Border Technikon
- 2001: Short course in Team Leadership, International Institute in Research and Training, supported by Border Technikon

As part of HSRC Senior Management, I have also undergone management trainings, workshops and dialogues (for more than 10 years) in various aspects of management, including:

- Supply Chain Management
- Financial Management – especially cost containment measures
- Research Management Systems
- Diversity Management
- Gender Sensitivity
- Tackling Racism

As part of University of Venda Council Member (2012 -2017), I have received the following training:

- Higher Education Policy and Legislative framework, DHET
- King III and its application in higher education – PWC
- Global and national trends in higher education, DHET
- The roles and responsibilities of University Council, DHET
- Regulations for reporting by higher educational institutions, DHET

5. WORK EXPERIENCE

01 October 2017 to date: Deputy Vice Chancellor: Research and Innovation, North West University

30 June-30 Sep 2017: Acting Executive Director, HIV/AIDS/STI/TB (HAST) Research Programme, HSRC

Oct 2009 to 29 June 2017: Research Director: HIV/AIDS/STI/TB (HAST) Research Programme, HSRC, Port Elizabeth.

October 2009 to May 2018: Editor-in-Chief: SAHARA J/Executive Editor SAHARA J

July 2006 to Sep 2009: Research Director, Social Aspects of HIV/AIDS (SAHA) Research

Programme, HSRC, Port Elizabeth.

Jan 2005 to June 2006: Chief Research Manager and Acting Research Director, Social Aspects of HIV/AIDS and Health, HSRC, Cape Town.

June 2001 to Dec 2004: Head of Research Unit, Border Technikon, East London.

Feb 2001 to June 2001: Guest Lecturer at Rhodes University.

Feb 2001 to May 2001: Managing Director and Shareholder of Limakhozu, Development Agency, East London.

Jan 1999 to Jan 2001: Lecturer at the University of the North, Turfloop

April 1997 to Dec 1998: Junior Lecturer at the University of the North, Turfloop.

Feb 1995 to Feb 1997: Tutor/Junior Lecturer, University of the North, Turfloop

Feb 1995 to March 1997: Fieldworker at Ithusheng Community Association, Tzaneen.

6. HONOURS

2017: Visiting Scholar at London School of Hygiene and Tropical Medicine (LSHTM), University of London – scientific meeting with Prof Liam Smeeth, Professor of Clinical Epidemiology, Epidemiology and Population Health, LSHTM

2017: Visiting Scholar as former Wellcome Trust Epidemiology Trainee Fellow – meeting with Dr. Erica Pufall, Science Portfolio Adviser| Population Health, Wellcome Trust

2014-2019: Honorary Professor, Nelson Mandela Metropolitan University – Office of the Deputy Vice Chancellor for Research and Engagement, Nov 2014 to Oct 2019 (2nd term)

2009-2014: Honorary Professor, Nelson Mandela Metropolitan University – Office of the Deputy Vice Chancellor for Research and Engagement, Nov 2009 to Oct 2014 (1st term)

2010: Visiting Scholar at Johns Hopkins University, Baltimore, USA at Center for Public Health and Human Rights, Department of Epidemiology, Johns Hopkins School of Public Health

2010: Visiting Scholar to Emory University, Georgia, Atlanta at the Department of Epidemiology, Department of Epidemiology, Rollins School of Public Health

July 2011: Visiting Professor, Chronic Disease Research Centre (CDRC) of the University of the West Indies, Barbados. University of West Indies, Cave Hill, Barbados, Faculty of Medical Sciences and hosted by Prof Nigel Unwin

Oct 2011: Visit to the Chronic Disease Research Centre at the University of Cape Town and hosted by Prof Naomi Levitt

May 2010: Visiting Professor, University of Newcastle Upon Tyne, Medical School, United Kingdom, May 2010, hosted by Prof Nigel Unwin

2006-2009: Extraordinary Visiting Professor, University of the Western Cape, Faculty of Community Health Sciences - at the age of 33 years

Jan 2004: Guest Scholar at Wageningen University, Netherlands 2010-2015: Wellcome Trust Epidemiology Training Fellow (2010-2015)

2010-2017: Africa London Nagasaki Scholarship (Fellow) for International Training in Epidemiology at LSHTM

July 2009: National Institute of Ageing Summer Institute Fellow

2008 NIDA Fellow - <https://www.drugabuse.gov/news-events/nida-notes/2008/06/linking-nida-to-researchers-global-scale>

1998: Abe Bailey Travel Award (Fellow) for exceptional leadership qualities

7. MEMBERSHIPS AND ACADEMIES

2019: Member of the National Research Foundation Board, from March 2019 to date

2018: Member of the International Panel on Infectiology representing African Continent for the German Research Foundation, from February 2018 to date

2018: Member of the Research and Innovation Strategy Working Group, Universities South Africa, May 2018 to date

2017: Member of the Higher Education AIDS Board, July 2017 to date

2018: Editorial Board member of AOSIS Publishing – Science, Engineering and Technology

2016: Delegate at the African Union Consultative Meeting on the Rules of Procedure for the Kwame Nkrumah Scientific Awards, 5-6 December 2016, Nairobi, Kenya

2016 to 2020: Council Member of the Academy of Science in South Africa (ASSAF). [Cabinet statements. http://www.gcis.gov.za/newsroom/media-releases/statement-cabinet-meeting-28-september-2016](http://www.gcis.gov.za/newsroom/media-releases/statement-cabinet-meeting-28-september-2016)

2016 to 2020: Member of the National Board of the International Council for Science

2016: Fellow of the Organization for Women in Science for the developing world

2016: Expert member of the Department of Higher Education and Training Health Sciences sub-panel for evaluating research outputs

2016: Member of the South African National AIDS Council Strategic Plan Key Population Technical Working Group

2014 to 2017: Appointed by Minister of Higher Education, Dr Blade Nzimande, to serve as Ministerial Appointee at University of Venda Council (2nd term)

2014 to 2019: Member of the UNIVEN Council Executive Management Remuneration Committee

2014 to 2019: Member of the UNIVEN Council Student Affairs Committee

2014 to 2019: Member of the UNIVEN Council Honorary Degrees Committee

04 July 2013: Member of the South African Young Academy of Science (SAYAS) new member selection committee

2013: Appointed as one of the PhD supervisors (supervising Dr Witness Chirinda) for the Southern African young scientists summer programme (SA-YSSP) 24 November 2013 – 22 February 2014. http://conferences.ufs.ac.za/dl/Userfiles/Documents/00001/794_eng.pdf

2013: Member of the International AIDS Society Social and Political Research Advisory Group

2012 to 2014: Member of the Network of African Science Academies (NASAC) Expert Group

2012 to 2014: Member of University of Venda Council (1st term) – nominated by HSRC CEO

2012 to 2014: Chairperson of UNIVEN Student Affairs Committee

2012 to 2014: Member of University of Venda Senate

2012 to 2014: Member of the Executive Management Remuneration Committee

2011 to 2012: Member of the Secretariat of the Global HIV Prevention Working Group funded by the Bill & Melinda Gates Foundation

2009 to 2012: Member of the SADC HIV Prevention Working Group

2009 to 2012: Member of the SADC HIV Research Working Group

2009 to 2012: Member of the SADC Partnership Forum

2009 to 2012: Member of the UNAIDS Partnership Forum

2008 to date: Academy of Science of South Africa (ASSAF) Fellow (2008 to date)

2008 to date: Member of African Research on Ageing Network (AFRAN)

2008 to date: Member of the Oxford Institute of Population Ageing

2008 to date: Member of the International AIDS Society

2008 to 2011: International UNAIDS Think Politically about HIV/AIDS Initiative

2008: NIDA Fellow - <https://www.drugabuse.gov/news-events/nida-notes/2008/06/linking-nida-to-researchers-global-scale>

8. RECOGNITIONS

8.1. Science Awards

2017: Winner of the 2016/2017 TW Kambule National Science and Technology Forum (NSTF) Prestigious Award in recognition of contribution to research and its outputs over a period of up to 15 years after the award of a PhD.

2012: HSRC CEO Award received (plaque and monetary award), at HSRC for exemplary, innovative and high quality research work

2012: HSRC Ubuntu Award (plaque and monetary award) received in recognition of outstanding teamwork, collegiality, exceptional abilities shown by my team (SAHARA). The award also recognizes leadership abilities in building team spirit and morale among colleagues and how people have worked together to achieve a common goal in the past two years

2007: HSRC Middle Researcher Excellence Award

2004: Social Aspects of HIV/AIDS Research in Africa academic writers' Award

2002: University of Maryland Eastern Shore Presidential Award for developing research culture at Border Technikon

1998: Abe Bailey Travel Award, to the UK for exceptional leadership, Nominated by University of the North leadership

8.2. NRF Rating

2019-2023: NRF Rated Scientist, C2, an established researcher receiving some international recognition for the quality and impact of her recent research outputs

2012 -2018: NRF Rated Scientist, C2 Rating, an established researcher receiving some international recognition for the quality and impact of her recent research outputs

2004: Y2 NRF Rated Scientist

8.3. HSRC Performance Awards

2015: 10-year service award at HSRC

2010: 5-year service award at HSRC

2016/2017: HSRC Annual Performance Award

2015/2016: HSRC Annual Performance Award
2014/2015: HSRC Annual Performance Award
2013/2014: HSRC Annual Performance Award
2012/2013: HSRC Annual Performance Award
2011/2012: HSRC Annual Performance Award
2010/2011: HSRC Annual Performance Award
2009/2010: HSRC Annual Performance Award
2008/2009: HSRC Annual Performance Award
2007/2008: HSRC Annual Performance Award
2006/2007: HSRC Annual Performance Award
2005/2006: HSRC Annual Performance Award

9. CAPACITY BUILDING

I have nurtured and motivated a dedicated and committed pool of researchers in order to conduct high quality research and contributed to cutting-edge, scientifically sound and innovative HIV and related research in South Africa, Africa and internationally.

9.1. Co-Supervision and or Mentorship of International Graduate students

- 2016: Marcel Foster, Marcel.foster@emory.edu, MPH Candidate, Emory University (Georgia, Atlanta, USA), Rollins School of Public Health, Hubert Department of Global Health – Research Project Co-Supervisor
- 2016: Eugenia Apau, eugenia.nana.apau@emory.edu, RN Candidate, Emory University (Georgia, Atlanta, USA), Nell Hodgson Woodruff School of Nursing – Research Project Co-Supervisor
- 2016: Meera Shah, MPH/MD Candidate, meera.shah@emory.edu, Emory University (Georgia, Atlanta, USA), Rollins School of Public Health, Department of Epidemiology, Emory School of Medicine – Research Project Co-Supervisor
- 2016: Creighton McMurray, JD Candidate, creighton.r.mcmurray@emory.edu, Emory School of Law – Research Project Co-Supervisor
- 2016: Steph Sweitzer, MD candidate, Johns Hopkins University Medical School
- 2016: Dr Cassia Wells, MD graduate/Physician (Medical Residency), Johns Hopkins University Medical School, Baltimore, USA. Inaugural Desmond M. Tutu Scholar. Human Sciences Research Council, July-September 2015, Port Elizabeth: <https://www.linkedin.com/in/cassiawells>
- 2016: Haidang Nguyen, MD candidate, Michigan State University (USA) – <https://research.chm.msu.edu/index.php/home/news/219-2016-msu-chm-summer-research-scholarship-winners>
- 2015: Amrita Rao, MPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2015: Liore Klein, MSPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2015: Dr Helen Omuh (for 6 weeks), a Physician from Nigeria, Institute of Human Virology University of Maryland
- 2014: Ms Ms Blair Berger, MPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2014: Ms Carolyn Brown, MPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2014: Ms Lai Yunru, MPH candidate, Johns Hopkins Bloomberg School of Public Health,

- Johns Hopkins University, Baltimore, USA
- 2013: Ryan Zahn, MPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2013: Yuan Zhao, MPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2013: Dr Clarence Yah, Postdoctoral Fellow HSRC Johns Hopkins Bloomberg School Of Public Health, Johns Hopkins University, Baltimore, USA (until 2016)
- 2012: Michelle Silver, PhD candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA
- 2012: Kathryn Rischer, MPH candidate, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, USA

9.2. Science Community Engagements

- 2017: Guest Speaker at the South African Young Scientist Conference and giving a wonderful keynote address during dinner
- 2017: Adjudicator for ASSAF Science for society gold medal award, 17 July 2017
- Guest Speaker at SAYAS
- 2016: Guest speaker at the policy workshop on addressing the global challenge of multi-morbidity: Lessons from South Africa, held at the Hilton Hotel, Sandton, Johannesburg on 2-3 November 2016 hosted by the Academy of Medical Sciences, in partnership with the Academy of Sciences South Africa (ASSAf). Title: Journey as a scientist and how I became involved in multi-morbidity work and facilitation of a satellite session on understanding the burden of multi-morbidity in South Africa.

9.3. Co-Supervision and or Mentorship of local graduate students/interns

- 2015 to date: Ms Zinhle Sokhela, Masters Intern, HSRC
- 2015 to date: Ms Buyisile Chibi, Doctoral Intern, HSRC - I am her PhD co-supervisor, Sefako Makgatho Health Sciences University
- 2013 to 2017: Dr Batlile Maseko, Postdoctoral fellow, HSRC
- 2011 to 2014: Dr Witness Chirinda (2011-2015), PhD Intern – served as his PhD co-supervisor, University of the Western Cape
- 2010 to 2013: Dr Motlatso Gladys Mlambo, PhD Intern, HSRC
- 2010 to 2011: Mr Seth Mkhonto, Doctoral Intern, HSRC
- 2010 to date: Ms Zamakayise Swana, Masters Intern, HSRC – served as her Masters co-supervisor, Nelson Mandela Metropolitan University
- 2008 to 2010: Ms Mandisa Ndabula, Masters Intern, HSRC:<http://repository.up.ac.za/bitstream/handle/2263/27558/dissertation.pdf;sequence=1>
- 2007 to 2011: Dr Cily Tabane, Postdoctoral Intern, HSRC
- 2007 to 2010: Dr Rendani Ladzani, Postdoctoral Fellow, HSRC
- 2007 to 2009: Dr Pelisa Dana, Postdoctoral Fellow, HSRC
- 2006 to 2007: Mr Gorden Mohlala, Doctoral Intern, HSRC
- 2005 to 2009: Mr Nkululeko Nkomo, Masters Intern, HSRC
- 2005 to 2007: Mr Ayanda Nqeketo, Masters Intern, HSRC
- 2005 to 2007: Mr Gorden Mohlala, Masters Intern, HSRC
- 2005 to 2006: Dr Brian van Wyk, Doctoral Intern, HSRC
- 2005 to 2007: Mr George Petros, Doctoral Intern, HSRC

10. RESEARCH PROJECTS

10.1. Recent Research Projects

Methods of Prevention Packages Program (Site PI) 04/01/2010-09/31/2016
CDC Approximately \$200,000

Collaboration with Johns Hopkins and Emory Universities (USA) to conduct a Methods of Prevention Packages Program (MP3) study in South Africa involving testing the feasibility and acceptability of an HIV combination prevention among MSM in South Africa in Port Elizabeth and Cape Town, South Africa

Key Population Implementation Science (KPIS) (PI): “Leveraging community and peer-based approaches to impact the HIV treatment cascade among men who have sex with men in South Africa ” 01/01/2014-9/31/2017
CDC \$1.6 Million

Collaboration with JHU and Emory Universities on Key Population Implementation Science (KPIS) in South Africa, USD 2.8 million from CDC (Site Principal Investigator)

Integrated Biological Behavioural Monitoring Survey (PD) 09/01/2014 – 31/03/2017
CDC Approximately: \$178165,24

Collaboration between University of California, San Francisco (UCSF) along with local partners namely, the South African National Department of Health (NDOH), the Anova Health Institute, the University of the Free State (UFS) Centre for Health Systems Research & Development (CHSR&D), and HSRC. The aim of the project is to conduct an Integrated Biological and Behavioral Surveillance with Population Size Estimation using RDS among MSM in South Africa

Mapping and Population Size Estimation (MPSE) and integrated bio-behavioural surveillance survey (IBSS) among men who have sex with men in Ghana (PI) 2015 to date

CDC/Ghana AIDS Commission \$ 1, 200, 599

Collaborative research project involving HSRC, Kwame Nkrumah University of Science and Technology (KNUST), Centres for Disease Control and Prevention, and Ghana AIDS Commission

What works in HIV and AIDS and the world of work (PI) – 08/01/2012-07/07/2017
GIZ Approximately R4.5 million

Collaborative research project of approximately R4.5 million (R1.5million per year) from GIZ to expand the ILO funded study on what works in HIV and AIDS and the world of work.

Study on Adult Health and Gobaal Ageing (SAGE) (Co-PI) 2016 to date
HSRC/WHO Approximately R8 million

South Africa's longitudinal epidemiological ageing and health survey (SAGE) aimed at assessing chronic diseases and health systems needs of elderly South Africans.

10.2. Completed Research Projects

- 2014-2016: Characterizing Strategies to Prevent Mother to Child Transmission of HIV among Female Sex Workers in the Eastern Cape of South Africa (site PI) conducted by HSRC and JHU, funded by MAC AIDS Fund
- 2013-2015: \$344,609 from the International Labour Organisation to conduct 10 Country on what works in HIV workplace programmes (PI)
- 2012-2013: R200 000 from ILO South Africa to conduct study on HIV workplace programmes among 10 SA Retailers (PI)
- 2012-2013: R420 00 from Eastern Cape Socio-Economic Consultative Council for study on HIV risk factors among infants in the Eastern Cape (PI)
- 2011-2012: M&E Consultant for Swiss Agency for Development and Corporation
- 2011-2012: Consultant - Review of the SADC Drug Policy funded by Open Society Foundation
- 2011-2012: Qualitative assessment of community dialogues in alleviating multiple concurrent partnerships in Lesotho (PI) funded by FHI 360.
- 2009-2010: R120 000 from Cacadu District Municipality for study on perceptions of Victim Empowerment Programme in the Eastern Cape (PI)
- 2009-2010: R350 000 from ECSECC for study on Social Determinants of HIV/AIDS in the Eastern Cape (P).
- 2009-2010 US\$ 145000 Save the Children Sweden (Role-Co-PI): Regional Baseline Survey to Establish Children's KAPB in Relation to Sexuality and Gender, Access to Sexuality and HIV Information and Sexual and Reproductive Health Services in Zambia and South Africa (Co-PI).
- 2007-2008: R400 000 from NDOH for SAGE data analysis (Principal Investigator)
- 2007-2008: R860 000 from HSRC for SAGE data capturing (PI)
- 2007-2008: US\$ 21 617.63 from WHO for SAGE data capturing (PI)
- 2008-2009: R3 million from PEPFAR/CDC for strengthening PMTCT services in a selected district in Mpumalanga (Co-PI)
- 2007-2008: R1.4 million from Department of Health to conduct Baseline Patient Satisfaction Survey in 266 clinics of the Eastern Cape Province of South Africa (PI)
- 2006-2011: US\$3,200,000 for Programme to Improve Implementation of the Prevention of Mother to Child Transmission of HIV in Cacadu District of the Eastern Cape, South Africa (co-PI) [PI: Prof Karl Peltzer] [overall PI: L Simbayi]
- 2006-2011: US\$1,800,000 Programme to Improve Implementation of the Prevention of Transmission of HIV in Gert Sibande District of Mpumalanga Province, South Africa [PI: Prof Karl Peltzer] [overall PI: L Simbayi]
- 2006-2007: R350 000 from Eastern Cape AIDS Council for conducting survey on the impact of disability grant for 604 PLWHA in the Eastern Cape (PI)
- 2006-2007: US\$ 300 000 from WHO for SAGE data collection (Pi)
- 2006-2007: R5.6 million from NDOH to collect data for national survey on Ageing Adult Health (SAGE) (PI)
- 2005-2006: R1,399,718.00 from NDOH to conduct baseline evaluations of PHC services in Eastern Cape, Western Cape, Gauteng, Limpopo and KZN provinces. (PI)
- 2005-2006: R3 million from DFID for study on evaluation of the National Drug Policy in South Africa (Co-PI)
- 2005-2006: US\$=160,000 for baseline assessment of Department of Health partnerships with non-profit organisations for supporting the delivery of primary health care programme in South Africa, European Union (Co-PI), [PI-Prof Karl Peltzer]

- 2003-2004: R45 000 grant from Education Training Development Programme Sector Education and Training Authority (ETDP SETA) to conduct research capacity building training at Border Technikon (Project Leader)
- 2003-2004: R360 000 from SANPAD for research capacity building of three staff members at Border Technikon (Project leader)
- 2003-2004: R399 800 grant SANPAD to conduct research on the strategic development of agri-tourism in the Amatole district Municipality of the Eastern Cape. (PI)
- 2003-2004: R342. 510 grant from ETDP SETA to conduct research on the management of HIV/AIDS among tertiary institutions in the Eastern Cape of South Africa. (PI)
- 2003-2004: R100 000 grant from ETDP SETA in to conduct research on the development, implementation and evaluation of an HIV/AIDS prevention programme at Border Technikon. (PI)
- 2003-2004: **Management of HIV/AIDS among hospitality operations in Buffalo City (PI)**
- 2003-2004: R15 000 grant from the Western Cape Tourism Board to conduct research on wine tourism in the Western Cape. (Co-Investigator)
- 2002-2003: R10 000 grant to conduct secondary research on the socio-economic profile of the Tourism Industry of the Eastern Cape (Co-Investigator)
- 2001-2003: R300 000 grant from the Water Research Commission to conduct research on the development of a marketing plan for sanitation promotion in the Eastern Cape of South Africa (PI)
- 1999-2000: US\$25,000 from the World Health Organisation to conduct a study on the primary prevention of substance abuse among youth within educational institutions in the Northern Province. (Co-Investigator)
