

## Brief CV of Dr Sazi Kunene

### Director: Business Development: UCE

Dr Kunene is a qualified company director with extensive experience and successful track record in education and training.

He has held a wide range of senior positions in the sector, currently as a Director for Business Development in the Unit for Continuing Education (UCE) at the North West University. His most recent position just before he joined the NWU, was as Managing Director of his own training, skills development and research centre. He has also before worked as Director for International Liaison for the South African Qualifications Authority.

He previously worked as a College Director for a private PHEI and TVET College, and Head of Quality Assurance and Regulatory Compliance for Aspire Education Group. He has also held various managerial positions with the Gauteng Department of Education, SAQA and the Services Sector Education and Training Authority.

Dr Kunene is highly qualified with a dedication for professional development, including having successfully completed a Doctorate in Education, focusing on Skills Development. In addition to this, He holds a BA and BA (Hons), a University Education Diploma, and Certificates in Labour Law, Outcomes Based Education and Multimedia Computer Literacy.
