

## **TELL YOUR STORY: Experiences of postgraduate students – the good, the bad, and the ugly**

### **Research Participants Wanted:**

#### **Master's and PhD students and supervisors of postgraduate students**

We are looking for NWU postgraduate students and supervisors to tell us about their experience of postgraduate studying. What is most challenging and stressful about it and what helps you deal with this? What is important for your well-being and what do you need to perform optimally?

We are really interested in hearing your story. Your personal experiences can help us understand the broader situation and provide recommendations as to what can be done to help postgraduate students.

We would like to invite you for a **one-hour interview on your campus** at a time that is convenient for you. **All information will be treated confidentially.** Light refreshments will be provided.

If you are interested in participating or if you have any questions about the study, please contact **Laura Weiss at [laura.weiss@nwu.ac.za](mailto:laura.weiss@nwu.ac.za).**

Kind regards

Dr Laura Weiss

## **VERTEL JOU STORIE: Ervarings van nagraadse studente – “the good, the bad, and the ugly”**

### **Navorsingsdeelnemers benodig:**

#### **Meestersgraad- en PhD-studente en toesighouers van nagraadse studente**

Ons is op soek na nagraadse studente en toesighouers van die NWU om ons te vertel hoe hulle hul nagraadse studies ervaar. Wat is die grootste uitdagings en die stresvolste en wat help jou om dit te hanteer? Wat is belangrik vir jou welstand en wat het jy nodig om optimaal te presteer?

Ons stel regtig belang om jou storie te hoor. Jou persoonlike ervarings kan ons help om die groter prentjie beter te verstaan en om voorstelle te maak oor wat gedoen kan word om nagraadse studente te help.

Ons nooi jou graag uit na 'n **een uur onderhoud op jou kampus** op 'n tyd wat jou sal pas. **Alle inligting sal vertroulik hanteer word.** Ligte verversings sal verskaf word.

Indien jy belangstel om deel te neem of enige vrae oor die studie het, kontak asseblief vir **Laura Weiss by [laura.weiss@nwu.ac.za](mailto:laura.weiss@nwu.ac.za).**

Vriendelike groete

Dr Laura Weiss
