

### Third Examination Opportunity

**Take Note: Students who qualify for the third examination opportunity will be identified and contacted by the Faculty.**

Only **FINAL** year students will be considered.

**The following criteria must be met by students to qualify for a Third Exam opportunity:**

Only students in their **final year** of degree studies can write the third opportunity examination if they meet the following criteria:

- **Final year** students who only have **one module outstanding to graduate**, and who
- have **obtained a participation mark in this module in the current academic year**, enabling them to participate in the examination opportunities.
- These **final year** students should also have made **use** of at least one of the two **available exam opportunities** during the current academic year for this module.

**These qualifying final year students only, may:** contact the staff on each campus as indicated on the list provided, if they have inquiries about the Third Opportunity Exam.

Students who qualify for a Third Examination Opportunity, will write the Third opportunity on: Tuesday 15 January 2019 at 09:00 (venue information will be send)

**(Students are requested NOT to contact the respective Faculty administrator if they do NOT meet all of the above criteria)**

1. The table below indicates who the relevant Faculty Administrators in the various faculties are and provides the necessary contact information.
