Creating your new pin

The screenshot shows a web form for personal verification at North-West University. The header includes the university's logo and name in three languages: English, Afrikaans, and Dutch. A navigation bar contains 'Bottom', 'Print', and 'Help' links. The main section is titled 'Personal verification' and contains two input fields: 'Student Number' with the value '23232862' and 'Date of birth' with the value '19910613'. A callout box points to the date field with the instruction: 'Complete these two fields and click "next" to proceed.' At the bottom, there are 'Cancel' and 'Next >>' buttons.

Application and Admission

Ascertain yourself with the information available at the link "Guidelines and General information pertaining to applications" and thereafter you may apply by either using the link

- "New application" to obtain admission to the electronic application system. You can submit electronic applications to the University after completing it, or
- You can print the application form and mail it to the University

If you have not previously applied for studies at the University, it will be compulsory to supply information in order for the system to generate a student number. As a further security measure you will also have to choose a PIN to use in the future.

Do make use of the links at the bottom of this page to help you with your decision.

Select "Application status".
