

## SELF REGISTRATION

### 1 First year students

First year students register on the web site from 22 January to 9 February 2018.

### 2 Senior Students

Most undergraduate senior students from Potchefstroom Campus can register on our website from 17 January to 9 February 2018 (Education Sciences can register on the web from 24 January, onwards).

### 3 PLEASE NOTE:

- 3.1 If the minimum fees have not been paid, you will only be able to register conditionally on the web. If you want to electronically pay the minimum payable fees for registration, please make sure to pay at least four (4) working days pay before registration.
- 3.2 Students with qualification changes and qualification program level code changes cannot register on the web.
- 3.3 Use the complete manual / shorter steps for self-registration and general information to assist with self-registration.
- 3.4 Undergraduate final year students from Potchefstroom Campus select "March" as graduation month. If your studies will be completed after the first semester, choose "September".
- 3.5 All students

If you live in a university residence, you do not have to provide an accommodation address - the system will automatically update it from the data of your residence application.

- 3.6 After you have successfully registered, proof of registration will be sent to your personal email address. You can print this proof or forward it from your e-mail, as required. Please note that if you are only conditionally registered (4.1), you will not receive proof of registration..

### 4 If you experience problems with the self-registration process, please report to the appropriate registration venue on the relevant dates set out in the published schedule.

### 5 Qualifications that cannot register on website
