

# Toetsrooster 2017 / *Test Timetable 2017*

Semester 2

## 1 Toetse tydens lang periodes / *Tests during long periods*

Die toetse word in die lang teorieperiodes van elke roostergroep, geskryf. Lang periodes word op die roosterstruktuur met 'n asterisk(\*) gemerk. Modules wat die A- en die B-deel van 'n roostergroep gebruik, skryf toetse in die A deel se lang periode. Die toetse is per weeksiklus van 5 dae elk geskeduleer.

*The tests are scheduled for the long theory periods of each timetable group. Long periods are marked on the timetable structure with an asterisk(\*). Modules that use both the A and B part of the timetable group write their tests in A part's long period. The tests are scheduled for week cycles of 5 days each.*
