

EASE-OF-REFERENCE GUIDELINE

SOUTH AFRICAN AND INTERNATIONAL ADMISSION REQUIREMENTS

1 Application for Exemption

Matriculation exemption is a legal requirement for first-degree study at a South African university. If you have completed an international curriculum or foreign schooling system, you will need to make sure that you meet the requirements for matriculation exemption set by Universities South Africa (USAf) www.usaf.ac.za

Please check that you meet the requirements for your chosen degree programme and that you have attained the indicated grades in the subjects listed in this booklet on the indicated levels.

Please consult this booklet in conjunction with the USAf requirements: <https://mb.usaf.ac.za/qualification-by-country/>

All international students or students applying with qualifications other than the NSC, IEB or SACAI must apply to the Matriculation Board for an exemption certificate. This is an online application process and can be completed in conjunction with applications for degree studies. <https://mbit-application.usaf.ac.za/assessment/>

If you have foreign qualifications (with the exception of those mentioned here) and wish to study in South Africa, you also have to apply to the South African Qualifications Authority (SAQA) to have your qualifications evaluated. SAQA certificates will only be required when equivalence of qualifications is needed for evaluation purposes.

Converting International Grades

The following conversion tables will guide you in applying to the North-West University

% Awarded by the NWU	The percentage in this column is awarded for the symbol or number grade presented by the different systems in the shaded areas	HIGCSE/NSSC Level Higher	Higher International General Certificate of Secondary Education / Namibian Senior Secondary Certificate Higher level
APS	Academic Performance Score calculated with the best six (6) subjects excluding life orientation	IGCSE	International General Certificate of Secondary Education
SA NSC	South African National Senior Certificate (from 2008)	BGCSE	Botswana General Certificate of Secondary Education
M-Score	Merit Score calculated based on 4 subjects depending on the field of study. Only relevant for South African Senior Certificate pre-2008	LGCSE	Lesotho General Certificate of Secondary Education
SC HG	Senior Certificate Higher Grade	SGCSE	Swaziland General Certificate of Secondary Education
SC SG	Senior Certificate Standard Grade	NSSC O-level	Namibian Senior Secondary Certificate Ordinary level
Namibian German School	Abitur	NSSC H-level/NSSC AS - level	Namibian Senior Secondary Certificate Higher level / Namibian Senior Secondary Certificate Advanced Subsidiary level
IB HL	International Baccalaureate Higher level	ZimSec O-level	Zimbabwe Secondary Education Ordinary level
IB SL	International Baccalaureate Standard Level	Cambridge AS-level	Cambridge International Advanced Subsidiary level
ACE	Accelerated Christian Education	Cambridge A-level	Cambridge International Advanced level
GED	General Education Development	ZimSec A-level	Zimbabwe Secondary Education Advanced level
NCV	National Certificate Vocational	Cambridge UK Grades	Cambridge International United Kingdom grade 1 - 9

1.1 South African National Senior Certificate

The legal requirement for 1st degree (Bachelor's) study at a South African University:

- Obtain a “4” (50-59%) or better in at least 4 x 20-credit subjects
- Obtain a “3” (40-49%) or better in your native/home language
- Obtain a “3” (40-49%) or better in Life Orientation
- Obtain a “2” (30-39%) or better in 2 more 20-credit subjects

Meeting the minimum requirement for a bachelor’s degree pass does not guarantee admission to the North-West University. Please note that the additional NWU language requirements, as set out in the faculty yearbooks, apply.

USAf-approved Governing bodies:

- Umalusi
- Independent Examination Board (IEB)
- South African Comprehensive Assessment Institute (SACAI)

1.2 South African Senior Certificate (Pre-2008)

Legal requirement for endorsement and access to degree study at a South African University:

- Complete four (4) Higher grade (HG) subjects including two (2) official languages at First and Second language level, one of which must be a university language of instruction.
- In addition to the languages, take subjects from three (3) of groups B to F
- In addition to Group A, pass HG subjects from two of groups B to F
- Meet the aggregate requirement of 950 (45%+) at one examination sitting

Group A First and Second Languages HG (all 11 official languages)	Group D Any Third language HG or SG Languages offered from Group A as third languages	Group F Geography (if not taken in group E) Accounting HG or SG
Group B Mathematics HG or SG	Group E Biblical Studies HG or SG Economics HG or SG Geography HG or SG History HG or SG Jewish Studies HG or SG	Additional Mathematics HG Agricultural Sciences HG or SG Animal Husbandry SG Business Economics HG or SG Computer Studies HG or SG Dance SG
Group C Natural Sciences HG or SG Biology Higher HG or SG Physiology HG or SG		Home Economics HG or SG Music HG or SG Technical Drawings HG or SG Technika (Civil, Electrical, Mechanical) SG

1.2.1 M-Score Calculation

The M-score is calculated on the best six (6) subjects from the HG/SG combination and must include at least one language.

A maximum of 6 subjects is used to calculate the M-Score.

In the case of compulsory subjects for admission to a specific qualification, those subjects must be included in the M-Score calculation.

The score indicated in the table below is used to calculate the M-score. Please note that APS scores do not apply to the Senior Certificate.

M-Score

5			
0			

Candidates may qualify for age exemption based on the following criteria:

- **Age 23 and older** (this only applies to the Senior Certificate pre-2008)
- Requires 1 HG subject at least Grade E (40-49%), preferably language of tuition, and 3 other HG/SG subjects on at least Grade E (40-49%)
- Official Language or Second Language will only be recognised as HG if at least Grade E (40-49%) is obtained
- **Age 45 years or older** do not require a matric certificate, only a compulsory Senate-approved and Matriculation Board recorded selection test/programme which proves they are capable of university study.
- **Any candidate who completed their NSC in or after 2008** will not qualify for age exemption. They need to complete a registered Higher Certificate, N4/N5 subjects or 3-year Diploma to qualify for Bachelor's degree Endorsement.

Please note that meeting requirements for age exemption does not guarantee acceptance to the NWU. An applicant will still need to meet minimum admission requirements as stated in the Academic Yearbooks.

1.3 South African School-leaving certificates other than the NSC and IEB

1.3.1 Accelerated Christian Education (ACE)

This qualification is no longer accepted at the North-West University.

1.3.2 School of Tomorrow

This qualification is no longer accepted at the North-West University.

1.3.3 General Education Development (GED)

South African GED graduates cannot be considered for admission to the North-West University as the Diploma is not accredited by USAf and will not be considered for exemption.

1.3.4 National Certificate (Vocational) (NCV) Level 4

(Refer to Government Gazette 7 December 2018)

The North-West University will consider NCV candidates, provided they meet the exemption criteria as well as the programme admission requirements.

Minimum requirements to qualify for exemption to the Bachelor's degree studies:

- NCV Level 4 issued by the Council for General and Further Education and Training
- At least 50% in three (3) *Fundamental subjects*, including the language of tuition (English, Life Orientation and Mathematics/Mathematical Literacy)
- At least 60% in four (4) compulsory *Vocational subjects*.

Minimum requirements to qualify for admission to the NWU:

- At least 60% in all three (3) Fundamental subjects
- At least 70% in all four (4) Vocational subjects
- Must meet minimum subject requirements for the qualification applied for.

Limited qualifications may be available to candidates offering the NCV Level 4 qualification. Faculties which will not consider these applications include: Engineering, Education, Natural and Agricultural Sciences and Law.

Please note that APS score calculations do not apply to the NCV.

The university-specific guidelines are currently under review and will be updated on the webpage in due course.

1.3.5 Report-191 Nated Programmes N1-N6 National Diploma

Candidates will qualify for conditional exemption in terms of mature age exemption regulations provided that he/she:

- attained the age of 23 years on or before 31 December of the year in which he/she wishes to register for first degree studies at a Public South African University; and
- obtained pass marks (40%) in three (3) N4 subjects and one additional Senior Certificate Higher Grade subject or in an N5 subject with Higher Grade equivalence. At least three (3) of the four (4) subjects must have been passed in one examination sitting.
- Subjects meeting Higher Grade Equivalence – Chemistry N5, Engineering Physics N5, Computer Principles N5, Mechanical Drawing and Design N5, Entrepreneurship and Business Management N5, Economics N5, Financial Accounting N5, Drawing N5, History of Art N5, Mathematics N5.

Candidates will qualify for exemption in terms of mature age regulations provided that he/she:

- attained the age of 23 years on or before 31 December of the year in which he/she wishes to register for first degree studies at a Public South African University; and
- Completed N6 subjects and an 18-month practical internship.
- obtained the National Diploma.

Please note that the Faculty of Engineering will not consider the N-courses for admission purposes.

Please note that meeting requirements for age exemption does not guarantee acceptance to the NWU. An applicant will still need to meet minimum admission requirements as stated in the Academic Yearbooks.

Please note that APS score calculations do not apply to the Nated programmes.

1.3.6 International Senior Certificate (IEB-ISC)

Candidates will qualify for exemption if they meet the following criteria:

- Obtain a "4" (50-59%) or better in at least 4 x 20-credit/30-credit/36-credit subjects (excluding Active Citizenry)
- Obtain a "4" (50-59%) or better in your primary language
- Obtain a "4" (50-59%) or better in your language of learning or teaching
- Obtain a "4" (50-59%) or better in Active Citizenry
- Obtain a "3" (40-49%) or better in 2 more 20-credit/36-credit subjects

Meeting the minimum requirement for a bachelor's degree pass does not guarantee admission to the North-West University. Please note that the additional NWU language requirements, as set out in the faculty yearbooks, apply.

Candidates applying with the ISC qualification must complete a compulsory Senate Discretionary Admissions Examination for admission purposes. Applications for exemption with the Matriculation Board apply and will be administered by the North-West University.

The university-specific guidelines are currently under review and will be updated on the webpage in due course.

The five examination subjects must include at least one subject from each subject area. The three subjects taught at a higher level of educational requirement, German, mathematics, and the advanced foreign/local language, shall be examined at a higher level.

The subjects in the written Abitur examination must be selected from at least two subject areas.

- The first written examination subject is German.
- The second written examination subject is Mathematics or an Advanced foreign/local language taught at a higher requirements level.
- The candidate shall select the third written examination subject from the qualification subjects:
 - Mathematics or an advanced foreign or local language (provided the subject is not already the second examination subject)
 - A social science subject from History, Geography, Social Studies / Politics, or Economics group of subjects
 - A science subject (Physics, Chemistry, Biology).
 - The candidate shall select the fifth examination subject from the qualification subjects that are not included in his/her other examination subjects.

1.5 Cambridge International / Namibian Secondary School Certificate

Candidates applying with Cambridge International or similar qualifications need to submit both GCSE/O-level results as part of the application process. Please note the specific requirements from the Matriculation Board regarding the regulations for exemption.

Please take note that when Physical Science is a subject requirement for admission, both Physics and Chemistry must be taken at the Higher level. Two (2) languages are required to meet the regulation for degree exemption.

The university-specific guidelines are currently under review and will be updated on the webpage in due course.

The Matriculation exemption requirements for candidates who completed schooling on any of the Cambridge qualifications can be found in the next tables.

Complete Exemption	Number of required subjects	Minimum Qualification Combination	Minimum grade required	Subject group requirements	Notes
Cambridge International A Level	5	2 subjects at A level PLUS 3 subjects at IGCSE / O-level	E	Students must choose ONE subject from each of Groups I, II and another two subjects from two of Groups III, IV and V. English First Language must be offered and passed at an appropriate level. NB. <i>Two languages must be offered to qualify for complete exemption</i> .	More than one subject can be chosen from a group providing that the minimum requirements have been met.
		C			
Cambridge International A Level	4	3 subjects at A level PLUS 1 subject at IGCSE / O-level	E	Students must choose ONE subject from each of Groups I, II and III at either A level or IGCSE/O-level. The fourth subject for either A-level or IGCSE/O-level may be taken from any of the groups.	
		C			
Cambridge International AS Level	5	4 subjects at AS level PLUS 1 subject at IGCSE / O-level	D	Students must choose ONE subject from Group I or II and another TWO subjects from two of Groups III, IV and V. English First Language must be offered and passed at an appropriate level. N.B. Two languages must be offered to qualify for complete exemption.	
		C			
Cambridge AICE	5	5 subjects at AS Level (full credit)	D	Students must achieve passes in: - English Language - at least one subject from Group II - at least one of the following: Biology, Mathematics, Physics, Chemistry, 3rd Language The fourth and fifth subjects may be taken from any of the groups.	More than one subject can be chosen from a group providing that the minimum requirements have been met. Two examination sittings only. Where a subject is not examined in Oct/Nov session the following or preceding June session will be regarded as the same sitting.
Cambridge HIGCSE	5	4 subjects at HIGCSE PLUS 1 subject at IGCSE / O-level	3	Students must choose ONE subject from each of Groups I, II and TWO subjects from two of Groups III, IV and V. The fifth subject for either HIGCSE or IGCSE / O-level may be taken from any of the groups. English Language must be passed at HIGCSE level. NB. <i>Two languages must be offered to qualify for complete exemption</i> .	
		C			
NSSC	5	4 subjects at Higher NSSC PLUS 1 subjects at NSSC Ordinary Level	3	Students must choose ONE subject from each of Groups I, II and TWO subjects from two of Groups III, IV and V at Higher NSSC. The fifth subject for either Higher NSSC or NSSC O-level may be taken from any of the groups. English Language must be passed at Higher NSSC level with a 3. NB. <i>Two languages must be offered to qualify for complete exemption</i> .	
		C			
A Level AS level Plus LGCSE BGCSE SGCSE	5	2 subjects at A level PLUS 3 subjects at either LGCSE, BGCSE, SGCSE OR 4 subjects at AS level PLUS 1 subject at LGCSE, BGCSE, SGCSE	E	Students must choose ONE subject from each of Groups I, II and III at either A level or LGCSE, BGCSE, SGCSE level. NB Two languages must be offered to qualify for complete exemption.	More than one subject can be chosen from a group providing that the minimum requirements have been met. Two examination sittings only. Where a subject is not examined in Oct/Nov session the following or preceding June session will be regarded as the same sitting.
		C			
		D	The fourth subject for either AS-level or LGCSE, BGCSE, SGCSE level may be taken from any of the groups.		
		C

To earn an IB qualification, you must take a minimum of six subjects: one each from groups 1-5 and either one from group 6 or a substitute from groups 1-4.

You must take at least three (but no more than four) subjects at Higher Level (HL). The rest of your subjects will be taken at the Standard Level (SL).

To qualify for the IB Certificate you need to pass 2 Higher level subjects (grades 4 – 7) and 3 Standard Level subjects (grade 4 – 7).

To qualify for the IB Diploma, candidates must receive a minimum of 24 points or an average of four (4) (or C) out of a possible seven points for six subjects. Candidates must also receive a minimum of 12 points from their Higher Level subjects and a minimum of 9 points from their Standard Level subjects.

Results are graded on a scale of 1-7, with a 4 considered passing and a 7 being the highest score possible.

The university-specific guidelines are currently under review and will be updated on the webpage in due course.

1.7 American High School Diploma

1.7.1 If you are applying with an American High School Diploma (completed outside the borders of South Africa), you will need the following (paragraph 28 Foreign Conditional Exemption):

A High School Graduation Diploma, as well as a certificate of eligibility for admission to study at any USA university with a valid senior college accreditation issued by any of the following accreditation bodies:

- Accrediting Council for Independent Colleges and Schools (ACICS)
- Distance Education and Training Council (DETC)
- Middle States Commission on Higher Education (MSCHE)
- New England Association of Schools and Colleges – Commission on Institutions of Higher Education (NEASC-CIHE)
- North Central Association of Colleges and Schools – Higher Learning Commission (NCA-HLC)
- Northwest Commission on Colleges and Universities (NWCCU)
- Southern Association of Colleges and Schools (SACS)
- Western Association of Schools and Colleges – Accrediting Commission for Senior Colleges and Universities (WASC-ACSCU)

AND

A SAT I score of 1 600, with a subminimum of 550 for Critical Reading and 500 for Mathematics

A SAT II score of 1 050 for English and either Physics or Chemistry, with a subminimum of 500 for either the English or one of the Physics, Chemistry, Biology or World History scores obtained at one or more sittings.

NEW SAT scores as of **2015**:

Evidence-based Reading and Writing = 610 Mathematics = 530 AND Total score = 1 130

OR

ACT mean of 22, with a 22 subminimum in English and 21 in Mathematics

OR

Passed at least two subjects on grade 3, 4 or 5 for the ADVANCED PLACEMENT (AP) examinations of the American College Board

AND

An average of 3.5 GPA

1.7.2 If you are applying with an American High School Diploma (completed inside the borders of South Africa), you will need the following (paragraph 40 Condonations):

A completed High School Graduation Diploma and full Academic Transcript.

AND

A SAT I score of 1 600, with a subminimum of 550 for Critical Reading and 500 for Mathematics

A SAT II score of 1 050 for English and either Physics or Chemistry, with a subminimum of 500 for either the English or one of the Physics, Chemistry, Biology or World History scores obtained at one or more sittings.

NEW SAT scores as of 2015:

Evidence-based Reading and Writing = 610 Mathematics = 530

Total score = 1 130

AND

An average of 3.5 GPA

American High School Diploma candidates must submit their final transcript as well as SAT results for admission purposes.

If applying with an American High School Diploma (completed outside the borders of South Africa), please note that you must apply for Matriculation Exemption before receiving an offer. Please refer to the Matriculation Board for further details.

If you are applying with an American High School Diploma (completed within the borders of South Africa), please note that you will not be able to apply directly with the Matriculation Board. Applicants must meet all admission requirements as well as additional requirements as stated above.

Official documents (including SAT results and final Transcript) will be required for the University to apply on your behalf. Final offers will only be made if an applicant meets the additional SAT and GPA requirements.

The university-specific guidelines are currently under review and will be updated on the webpage in due course.

1.8 National Benchmark Test (NBT)

The North-West University does not require the results of the NBT test for admission. Faculty-specific selection processes may be required.

1.9 Contact details:

The Central Admission Office will assist South African applicants who follow an international curriculum, and the Global Engagement Office will assist international citizens, Refugees, Asylum Seekers and Permanent residence holders with international curricula wishing to apply for undergraduate studies at the North-West University. <https://www.nwu.ac.za/Internationalisation>

Large numbers of prospective students apply for our programmes. Unfortunately, we can accept only a limited number of students. Even though you may meet the admission requirements of a programme, you are not guaranteed admission to the programme of your choice.

Please visit the website for prospective students at www.nwu.ac.za for more information on the selection guidelines of the faculty and the programme you would like to apply for.
