

RESEARCH / POLICY BRIEF WORKSHOP

RESEARCH DISSEMINATION, COMMUNICATION AND UPTAKE (1 DAY)

A one day workshop presented by Ms Karlien Smit from AUTHeR (Africa Unit for Transdisciplinary Health Research) on different strategies to “get your research out there”.

Day 1
6 May 2020
08:00 – 17:00

The outcome of this workshop will enable you to plan for dissemination, communication and uptake of your research, including practical tips on drafting Research Communication Briefs / Policy Briefs.

This training workshop will equip you with background information on research dissemination, research communication and research uptake into Policy. You will furthermore be provided with practical tips for good communication strategies and marketing of your research. The training workshop will afford you the necessary skills to draft your own Research / Policy Brief

Venue: TBA.

Cost: R300 per day.

Lunch as well as morning and afternoon coffee and tea will be provided.

Please bring your own water bottle. Water will be provided.

RSVP: **23 April 2020:** Your booking is only confirmed once proof of payment has been received. Please send proof of payment at least one week before the workshop to Ms Joyce Matsietso at Joyce.Matsietso@nwu.ac.za
