## Think Tank 2021:7 - The Protection of Whistleblowers Webinar

## Programme

The NWU Business School and the Institute for Commercial Forensic Practitioners (ICFP) invites you to participate in a Think Tank webinar on how forensic practitioners can enhance the protection of whistleblowers involved in commercial forensic investigations.

The event will be conducted in the format of a panel discussion, where a panel of experts will each provide their insight or perspective on the topic, where-after the floor will be opened to attendees to participate in the discussion.

The outcome of the webinar will be to provide practical insight and recommendations to the ICFP in order to enhance the protecting of whistleblowers involved with commercial forensic investigations.
