North-West University

Department of Agriculture Economics and Extension Presents

AGRICULTURE POLICY INDABA

Invitation

As we celebrate 30 years of our democracy it is imperative that we take a step back and reflect on inclusivity and transformation in agriculture particularly honing into growth and food security.

North-West University will be interrogating and aligning itself to the National Policies such as:

1. Land Reform Policy
2. National Policy on Food and Nutrition Security
3. National Extension and Advisory Services Policy

You are therefore invited to join us online to discuss and deliberate on issues pertaining to Agriculture Economics and Extension in this regard.

Date: 30 October 2024 | Time: 09h00 to 12h00
