Message from the chairperson of the NWU Board of Donors (BoD)

Dear valued donors and partners of the North-West University

As we embark on this year's journey to explore new frontiers, I express my heartfelt gratitude for your unwavering support to the North-West University (NWU). Your generosity has been instrumental in changing the lives of countless students. Thousands of students rely on external funding to pursue their academic dreams, and your contributions have been a beacon of hope in times of unprecedented challenges.

The impact of your donations cannot be overstated. Every gift – no matter the size – has helped the NWU to provide essential resources and opportunities to students who might otherwise have been unable to continue their education. The Board of Donors is proud of your continued dedication and support. Your trust in our mission is what drives us forward, and we are committed to ensuring that every rand is used efficiently and effectively to empower the next generation of leaders.

I am excited to continue building on our fundraising efforts with you as valued partners. Together, we can explore new frontiers in education and make a lasting difference in the lives of young fellow South Africans. Thank you once again for your generosity and trust in the NWU.

This edition contains some evidence of your impact in the lives of the NWU students.

Thank you
