Admissions Policy

Preamble

Against the background of the dream to be an internationally recognised university in Africa, distinguished for engaged scholarship, social responsiveness and an ethic of care, the Council of the North-West University (NWU) has adopted this policy on 13 March 2025.

1 Interpretation and application

- 1.1 This policy must be interpreted and applied in a manner consistent with the –
 - 1.1.1 Constitution of the Republic of South Africa, 1996;
 - 1.1.2 Higher Education Act 101 of 1997 (“HE Act”);
 - 1.1.3 National Qualifications Framework Act 67 of 2008;
 - 1.1.4 Higher Education Qualifications Sub-Framework (HEQSF), 2013 and 2014;
 - 1.1.5 Statute of the North-West University (“the Statute”) as published from time to time;
 - 1.1.6 General Academic Rules of the NWU;
 - 1.1.7 Related policies of the NWU, amongst others, the Teaching-Learning and Assessment Policy and the Senate Rules on Teaching-Learning and Assessment. and
 - 1.1.8 Government policies and directions regarding admissions listed in the appendices to this policy, which the Registrar must keep current (in regard of which the list is included in Appendix 1 of the Policy).
- 1.2 Where a possible conflict could arise on admission matters with the NWU Admissions Policy with other NWU guidelines, frameworks or the like, the Admission Policy takes precedence.

2 Purpose and scope of this policy

In accordance with section 37 of the Higher Education Act and the prescripts of relevant national directives the purpose of this policy is as follows:

- 2.1 To provide appropriate measures for the redress of past inequalities in admitting students to the NWU by creating an environment that pursues social justice and the advancement of access promoting the objectives of the HE Act and being consistent with national directives in regard of the enhancement of access to higher education.
- 2.2 To provide for a set of transparent and fair guidelines consistent with the regulatory framework contemplated in paragraph 2.1 above for determining admission to the qualifications and their related programmes forming part of the NWU’s approved Programme Qualification Mix (PQM) contemplated in paragraphs 7, 8 and 9 below, and Appendices 4 and 5 attached to the Policy.
- 2.3 To provide that owing to identified capacity constraints, the requirements set out by professional and statutory bodies and similar reasons, the NWU reserves the right in accordance with its approved enrolment plan to select candidates for admission to certain qualifications even where such applicants do meet the minimum admission requirements.

- 2.4 To provide that taking into consideration the reasons referred to in paragraph 2.2 above, prospective students who comply with the minimum requirements may be refused admission to the qualifications and programmes for which applicants may have applied.

3 Policy objectives

This policy is intended to achieve the following objectives:

- 3.1 To provide clear guidelines according to which the NWU exercises its decision-making powers to admit students to its approved and registered contact and distance qualifications in line with the admission requirements as prescribed in the HEQSF documentation, as well as within the overall national drive towards the advancement of redress, equity and quality in higher education.
- 3.2 To provide for a framework to enable access for eligible candidates.
- 3.3 To set the boundaries to allow for alternative routes of entry that are to be viewed as equivalent to the prescribed standard of the NSC, and to set stipulations regarding other forms of prior learning for entry to, or granting advanced standing according to which admission to any qualification is to be managed in accordance with the equivalence setting under the guidance of the designated equivalence-setting bodies, namely Umalusi and Universities South Africa's (USAf) Matriculation Board.
- 3.4 To recognise other national and international examination bodies and to admit qualifying applicants based on the conversion calculations applied by the NWU.
- 3.5 To provide for a distinction between the general admission requirements to a qualification, and more specific additional admission requirements and selection criteria relevant to admission to a particular programme or a qualification.
- 3.6 To ensure adherence to faculty-specific admission requirements as approved by the Council and as contained in the respective faculty yearbooks.

4 Recognition of prior learning, credit accumulation transfer and advanced standing for admission purposes

4.1 Recognition of prior learning

- 4.1.1 Recognition of prior learning (RPL) refers to the prior knowledge and skills of a person, learned informally and non-formally that are made visible, mediated and assessed for the purpose of alternative access and admission¹.
- 4.1.2 Prior learning is made explicit through valid, reliable and equitable assessment methods that reveal the evidence needed to demonstrate the required knowledge and skills to be admitted to a particular qualification or programme.
- 4.1.3 The NWU follows a standardised and aligned process as contained in faculty yearbooks for the consideration of applicants who would wish to apply for RPL for admission purposes.
- 4.1.4 Faculty yearbooks must specify a clear and unambiguous process for the establishment of credible methods to manage supplementary work by prospective students for purposes of accounting for RPL for admission.

4.2 Credit accumulation and transfer

- 4.2.1 Credit accumulation and transfer (CAT) refers to the practice of accumulating credits that had previously been awarded from one or more cognate learning programmes registered on the NQF and offered by a recognised provider and transferring those credits to be recognised towards a qualification, part-qualification in the same or a different institution².

- 4.2.2 The CAT process in respect of a set of credits may only be applied once and may not be transferred to more than one qualification.
- 4.2.3 For admission purposes, the process of vertical transfer is utilised, i.e. that credits of a preceding level are accepted for entry into the next level of study³ at the NWU and may not be duplicated.
- 4.2.4 The NWU follows a standardised and aligned process as contained in faculty yearbooks for the consideration of applicants who would wish to make use of CAT in the application process.

4.3 Advanced standing

- 4.3.1 Advanced standing awarded to an applicant that had been admitted in accordance with paragraph 4.1 and/or paragraph 4.2 above could result in the applicant being exempted from modules constitutive of the qualification or programme to which the applicant had been admitted⁴.
- 4.3.2 The award of advanced standing does not include any form of credit transfer.
- 4.3.3 The NWU follows a standardised and aligned process as contained in faculty yearbooks for the consideration of applicants who would wish to have advanced standing be considered in the application process.

5 Governance and management of the implementation of the policy

5.1 Governance functions

5.1.1 Council

- 5.1.1.1 The council approves and oversees the implementation of this policy.
- 5.1.1.2 On the recommendation of Senate, Council approves the admission requirements of each qualification and its related programmes, where applicable, forming part of the NWU's approved Programme Qualification Mix (PQM).

5.1.2 Senate and the Senate Admission Requirements Committee

- 5.1.2.1 The Senate approves and oversees the development and implementation of appropriate frameworks, guidelines and procedures to ensure the effective and efficient management of this policy in all the relevant academic pursuits of the university.
- 5.1.2.2 In accordance with Section 37 of the HEA and paragraph 71(1) of the NWU Statute, the Senate Admission Requirements Committee is a committee of the Senate whose mandate is to advise Senate on all matters related to the regulation and alignment of admission matters and admission requirements at the University.

5.1.3 Faculty Boards

Upon the conclusion of the requisite internal processes, faculty boards make presentations to the Senate Admission Requirements Committee on appropriate admission requirements and selection criteria for each of the PQM-approved qualifications and their programmes offered by the NWU.

6 Principles and procedures applicable to admission to undergraduate and postgraduate programmes and qualifications

6.1 Applicant Performance Score (APS) system applicable to undergraduate applications

- 6.1.1 For refinement of the application process, the Applicant Performance Score (APS) system that assigns points to performance is utilised.
- 6.1.2 The purpose of the APS is to determine a base score in regard to calculating the three compulsory 20- credit NSC subjects and the performance in the next best three 20-credit NCS subjects.
- 6.1.3 The calculation of an applicant's APS score is done in accordance with Table 1 contained in Appendix 2.

6.2 Faculty-specific admission requirements

In addition to the admission requirements for undergraduate and postgraduate studies as provided for in paragraphs 7 and 8 below, admission to the qualifications and their programmes is subject to faculty-specific admission requirements considered by the Senate Admission Requirements Committee and recommended to Senate for consideration and recommendation to Council for approval.

6.3 Application process

- 6.3.1 Applications are made only via the online application portal on the dates as determined in the relevant annual calendar of the NWU.
- 6.3.2 In addition to the upload of the application, supporting information may be requested by the NWU to be taken into account as part of the screening process.
- 6.3.3 Applications would be regarded as incomplete if the requisite additional information (communicated to applicants in advance of the application process) would not be submitted as part of the application process and would not be screened by the university for purposes of the consideration of the application.
- 6.3.4 An application that is not duly submitted finally via the online portal would remain open for a period of 72 hours and then be removed from the portal.

7 Admission Requirements for Undergraduate Qualifications

- 7.1 The requirements of the Council of Higher Education's Higher Education Qualifications Sub-Framework (HEQSF) for undergraduate study, the latest version of which is set out in Appendix 4, must serve as the point of departure for considering an application to the NWU for admission as a prospective undergraduate student.
- 7.2 Subject to faculty-specific requirements regarding admission to the qualifications and programmes offered by the NWU, the minimum requirements set out in Tables 2, 3 and 4 contained in Appendix 2 apply to an application made by a prospective undergraduate student.
- 7.3 The specific admission requirements for each qualification or programme as approved by Council are detailed in the respective sections in faculty yearbooks.
- 7.4 The opening and closing dates for undergraduate applications are published on the NWU annual calendar.

8 Admission requirements for postgraduate qualifications

- 8.1.1 The requirements of the Council of Higher Education's Higher Education Qualifications Sub-Framework (HEQSF) for postgraduate study, the latest version of which is set out in Appendix 5, must serve as the point of departure for considering an application to the NWU for admission as a prospective postgraduate student.
- 8.1.2 Subject to faculty-specific requirements regarding admission to the postgraduate qualifications and programmes offered by the NWU as set out in the faculty yearbooks, the minimum requirements set out in Appendix 5 apply to an application made by a prospective student.

8.1.3 The opening and closing dates for postgraduate applications are published on the NWU annual calendar.

9 Admission of international students

9.1 Applications of international students are dealt with in accordance with the complete or conditional exemption process prescribed by Government Gazette 31674 (December 2008) and amendments thereof as described in Tables 5.1 and 5.2 contained in Appendix 3.

¹ *An international student is defined as a person who lives and studies in South Africa for the purpose of acquiring a qualification, after having complied with all relevant legislative requirements, amongst others Regulation 12 of the Immigration Act (2002) as per Government Gazette 37679, 22 May 2014.*

APPLICANT PERFORMANCE SCORE (APS) AND NATIONAL SENIOR CERTIFICATE (NSC) REQUIREMENTS

Table 1: Calculating the Applicant Score (APS)

NSC rating	APS Score
8 (90-100%)	APS= sum of the three compulsory 20-credit NSC subjects PLUS the next best three 20-credit NSC subjects. Total=48
7 (80-89%)	
6 (70-79%)	
5 (60-69%)	
4 (50-59%)	
3 (40-49%)	
2 (30-39%)	
1 (0-29%)	

The calculation of the Applicant Performance Score takes place in the following way:

- The results of six (6) 20-credit NSC subjects are used to determine the APS.
- While achievement in Life Orientation (LO) – a 10- credit NSC subject - is not utilised in calculating the APS, a minimum achievement at Level 3 in LO is required to obtain an NSC. An achievement at level 5 and higher in LO will be regarded as a recommendation for admission in boundary cases and to certain programmes.
- A prospective student who achieves two APS points less than required for admission to a specific qualification may, at the discretion of Senate and in line with Paragraph 31 of GG 31674 (2008), be admitted to study at the NWU.
- A prospective student who obtains discretionary exemption may be admitted to certain qualifications or related programmes on conditions as indicated in Appendix 3.

REQUIREMENTS FOR ADMISSION TO UNDERGRADUATE QUALIFICATIONS TERMS OF THE HIGHER EDUCATION QUALIFICATIONS SUB-FRAMEWORK (HEQSF)¹

1 Higher Certificate

(NQF Exit level=5; Minimum total credits=120; Minimum credits at level 5=120)

To qualify for admission to a higher certificate, an applicant must, subject to faculty-specific requirements specified in the faculty yearbook, be in possession of:

- 1.1 National Senior Certificate with a minimum of 30% in the Language of Learning and Teaching ("LoLT"), OR
- 1.2 Senior Certificate issued under the August 2014 regulations with a minimum of 30% in the LoLT in the case of the Senior Certificate (amended) ("SC(a)"), or 33.3% in the LoLT for the Senior Certificate ("SC").

2 Advanced Certificate

(NQF Exit level=6; Minimum total credits=120; Minimum credits at level 6=120)

To qualify for admission to an advanced certificate, an applicant must, subject to faculty-specific requirements specified in the faculty yearbook, be in possession of a higher certificate in the appropriate field.

3 Diploma

(NQF Exit level=6; Minimum total credits=240 or 360; Minimum credits at level 6=120)

To qualify for admission to a diploma, an applicant must, subject to faculty-specific requirements as specified in the faculty yearbook, be in possession of:

- 3.1 A National Senior Certificate (NSC) with endorsement for diploma studies and with appropriate subject combinations and levels of achievement as per Government Gazette 31231 (2008), OR
- 3.2 A National Certificate (Vocational) [NC(V)] exit level 4 issued by the Council for General and Further Education and Training, and with appropriate subject combinations and levels of achievement as per Government Gazette 42092. The prescribed achievement in the NC(V) is at least 40% in three fundamental subjects including the language of learning and teaching of the Higher Education Institution, and at least 50% in the three compulsory vocational subjects from the recognised list; OR
- 3.3 A Senior Certificate published under the August 2014 stipulations with a minimum of 30% in the LoLT in the case of the SC(a); or 33.3% for the SC under the stipulations of Report 550, coupled with
 - an achievement rating of 3 (40% or more) in four NSC/SC(a) subjects if the candidate has offered six NSC/SC(a) 20-credit subjects, OR
 - an achievement rating of 3 (40% or more) in the instance where a mix of SC (Report 550), NSC and SC(a) 20-credit subjects in at least four subjects is offered, and provided that a candidate may have completed on standard grade subject at 50% or more to be offered instead of one higher grade subject 40% or more.
- 3.4 A higher certificate or advanced certificate in a cognate field, recognised by Senate as equivalent.

¹ As per the prescripts of GG 36721, 2 August 2013.

4 Advanced Diploma

(NQF Exit level=7; Minimum total credits=120; Minimum credits at level 7=120)

To qualify for admission to a diploma, an applicant must, subject to faculty-specific requirements as specified in the faculty yearbook, be in possession of an appropriate diploma or bachelor's degree.

5 Bachelor's degree

(NQF Exit level=7; Minimum total credits=360; Minimum credits at level 7=120) (NQF Exit level=8; Minimum total credits=480; Minimum credits at level 8=120)

To qualify for admission to a bachelor's degree, an applicant must, subject to faculty-specific requirements as specified in the faculty yearbook, be in possession of:

- 5.1 A National Senior Certificate with endorsement for Bachelor studies and with appropriate subject combinations and levels of achievement as per Government Gazette 31231 (2008), OR
- 5.2 A National Certificate (Vocational) Level 4 issued by the Council for General and Further Education and Training, and with appropriate subject combinations and levels of achievement as per Government Gazette 42092. The prescribed achievement in the NC(V) is at least 50% in three fundamental subjects including the language of learning and teaching of the Higher Education Institution, and at least 60% in four compulsory vocational subjects, OR
- 5.3 A Senior Certificate with complete or conditional matriculation endorsement/exemption as contained in Government Gazette 41473;
OR
A Senior Certificate issued under the August 2014 stipulations with a minimum of 30% in the LoLT in the case of NSC/SC(a), or 33.3% in the case of an SC issued under the stipulations of Report 550, coupled with an achievement rating of 4 (50% or more) in four NSC/SC(a) subjects if the candidate has offered six NSC/SC(a) 20-credit subjects, OR
- 5.4 An achievement rating of 4 (50% or more) in the instance where a mix of SC (Report 550), NSC and SC(a) 20-credit subjects in at least four subjects is offered, and provided that these subjects are higher grade in the case of the Senior Certificate, or subjects of the NSC and the Senior Certificate (amended). An applicant in possession of a matriculation exemption certificate but who obtained two (2) points less than the required minimum points on the Applicant Performance Score system, may be considered for admission to the University at the discretion of the Senate, provided that the general admission requirements are otherwise satisfied;
OR
- 5.5 Certificate of conditional exemption² to an applicant who, in an examination for the senior certificate of the Council, met the requirements as per paragraph 24³
 - 5.5.1 Certificate of conditional exemption to an applicant who, in an examination for the senior certificate of the Council, met the requirements as per paragraph 24³
 - 5.5.2 Certificate of conditional exemption by virtue of a combination of subjects passed in technical and other examinations, and as per paragraph 25.
 - 5.5.3 Certificate of conditional exemption by virtue of passing the examinations in regard to the advanced-level subjects, advanced-subsiary subjects, the ordinary-level subjects and the IGCSE-level subjects of the examining bodies mentioned in Annexure 1, and as per paragraph 26.
 - 5.5.4 Certificate of conditional exemption by virtue of Advanced Subsidiary and Ordinary level examinations conducted by examining bodies mentioned in Annexure I; or HIGCSE and IGCSE level examinations of Cambridge International Examination and/or the Namibian Ministry of Education in collaboration with Cambridge International Examination and/or the Higher and Ordinary Level examinations of the Namibian Ministry of Education, and as per paragraph 27.7.1.5.6.5.
 - 5.5.5 Prospective students offering the Cambridge International Examinations ("CIE") for conditional exemption purposes need to note that the list of acceptable subjects for admission purposes also include all 20-credit NSC subjects. (See Table 5.2 for the complete list.)

- 5.5.6 Also note that NWU faculties reserve the right to set minimum performance requirements in regard to the levels of achievement for admission purposes into NWU qualifications and programmes.
- 5.5.7 Certificate of conditional exemption to applicants from foreign countries as listed in Annexure II, and as per paragraph 28.
- 5.5.8 Certificate of conditional exemption to immigrants, as per paragraph 29.
- 5.5.9 Certificate of conditional exemption by virtue of mature age, as per paragraph 30.
- 5.5.10 Certificate of conditional exemption by virtue of a certificate issued by Senate, as per paragraph 31.

REQUIREMENTS FOR ADMISSION TO POSTGRADUATE QUALIFICATIONS IN TERMS OF THE HIGHER EDUCATION QUALIFICATIONS SUB- FRAMEWORK (HEQSF)¹

1 Postgraduate Diploma

(NQF Exit level=8. Minimum total credits=120; Minimum credits at level 8=120)

To qualify for admission to a postgraduate diploma, a prospective student needs to be in possession of an appropriate bachelor's degree (exit level 7) or an appropriate advanced diploma (exit level 7); or the equivalent of these as approved by Senate. In addition, a prospective student must comply with all other requirements as prescribed in the rules of the faculty offering the qualification, and as contained in the faculty yearbook.

A faculty may refuse admission to a particular qualification in instances where the standard of competence demonstrated by a prospective student in previous achievements in the qualification(s) in which the student wishes to pursue further study, does not comply with the faculty-specific requirements.

2 Honours Degree

(NQF Exit level=8. Minimum total credits=120; Minimum credits at level 8=120)

To qualify for admission to an honours qualification, a prospective student needs to be in possession of an appropriate bachelor's degree (level 7) or an appropriate advanced diploma (level 7); or the equivalent of these as approved by Senate. In addition, a prospective student must comply with all other requirements as prescribed in the rules of the faculty offering the qualification, and as contained in the faculty yearbook.

A faculty may refuse admission to a particular qualification in instances where the standard of competence demonstrated by a prospective student in previous achievements in the qualification(s) in which the student wishes to pursue further study, does not comply with the faculty-specific requirements.

3 Master's Degree²

(NQF Exit level=9. Minim total credits=180; Minimum credits at level 9=120)

To qualify for admission to a master's programme, a student must be in possession of a relevant honours degree or a relevant postgraduate diploma at level 8 in an appropriate field, or the equivalent of these as approved by Senate. In addition, a prospective student must comply with all other requirements as prescribed in the rules of the faculty offering the qualification, and as contained in the faculty yearbook.

Under circumstances as explained in the faculty yearbook after approval by Senate, a prospective student with a four-year undergraduate degree at exit level 8 may be considered for admission to a cognate Master's Degree

A faculty may refuse admission to a particular qualification in instances where the standard of competence demonstrated by a prospective student in previous achievements in the modules or specialisation of qualification(s) in which the student wishes to pursue further study, does not comply with the requirements.

4 Doctoral Degree³

(NQF Exit level=10. Minim total credits=360; Minimum credits at level 10=360)

To qualify for admission to a Doctoral degree, a prospective student must be in possession of an appropriate Master's degree or its equivalent as approved by Senate, and as contained in the faculty yearbook.

Admission to all doctoral degrees offered by the University shall be subject to approval by the relevant faculty structure on the recommendation of the concerned research director in consultation with the concerned school director. In light hereof, it is expected of prospective doctoral students to consult with the concerned research director on their intended research proposals and the nature of their supervision prior to admission being sought to a doctoral qualification (see the NWU Manual for Master's and Doctoral Studies). In addition, a prospective

student must comply with all other requirements as prescribed in the rules of the faculty offering the qualification, and as contained in the faculty yearbook.

A faculty may refuse admission to a particular curriculum in instances where the standard of competence demonstrated by a prospective student in previous achievements in the qualification(s) in which the student wishes to pursue further study, does not comply with the requirements.
